Honourable Don Morgan
Minister of Advanced Education
Room 208
Legislative Building
Regina, Saskatchewan S4S 0B3

Dear Minister Morgan:

I have the honour to submit herewith the Annual Report of Carlton Trail Regional College for the fiscal year ended June 30, 2012, including duly certified financial statements of Regional College operations, all in accordance with Section 16 of the Regional Colleges Act and Section 14 of the Regional College Regulations.

Respectfully submitted,

A handwritten signature in cursive script, reading "Glenn Hepp".

Glenn Hepp, Chair
Board of Trustees
Carlton Trail Regional College

VISION STATEMENT

Carlton Trail Regional College will create greater opportunities through the power of learning

MISSION STATEMENT

To identify and provide quality education, training and career services to enhance personal and community development

MANDATE

Carlton Trail Regional College is a provincial institution established under Saskatchewan's *Regional Colleges Act*, which was proclaimed on January 1, 1988. The College succeeded Carlton Trail Community College, which was previously established under Saskatchewan's *Community Colleges Act* of 1973.

Section 5 of the *Regional Colleges Act* delineates that programming which a Regional College may offer:

1. university and technical institute courses provided by way of a contract between the college and a university or technical institute;
2. training programs that prepare individuals for a career or provide education with respect to health or social issues;
3. training programs paid wholly or partly by private business, non-profit groups or government agencies;
4. career services;
5. adult basic education, literacy and upgrading programs;
6. any other educational activities that the Lieutenant Governor in Council may prescribe in the regulations.

A new Regulation enacted on July 3, 1997 enabled regional colleges:

1. to provide employment services, programs and activities associated with career, educational and training services, programs and activities pursuant to agreements with the Minister of Post-Secondary Education and Skills training or the New Careers Corporation; and
2. to determine student eligibility for, and to administer the Provincial Training Allowance.

VALUES

The Board has adopted the following set of values to guide its work and deliberations:

- respect, trust and fairness
- integrity and honesty
- professionalism
- confidentiality
- commitment and responsibility
- open and full communications
- teamwork
- caring atmosphere/attitude

2012 STRATEGIC PLAN

GOAL ONE

TO PROVIDE LEADERSHIP TO BUSINESS, INDUSTRY, AND THE COMMUNITY IN THE IDENTIFICATION AND PROVISION OF TRAINING TO ACHIEVE ENHANCED ECONOMIC GROWTH OF THE REGION

- Objective 1.1 To conduct a needs assessment and subsequent response to the identified needs of business and industry, through the following audiences:
- potash industry
 - health industry
 - service industry
 - manufacturing sector
 - agriculture-value sector
 - construction sector
- Objective 1.2 To develop and implement a process to ensure ongoing engagement with various communities (articulating and formalizing stakeholder engagement opportunities in order to gather information for a regional needs assessment and for setting future strategic direction), involving:
- board level community luncheons
 - presentations to Humboldt and District Chamber of Commerce, and other similarly-intended organizations
 - various community meetings across the region
- Objective 1.3 To contribute to regional and local economic development activities that enhances accessibility to learning, including, but not limited to:
- various daycare projects
 - Habitat for Humanity in the City of Humboldt
 - staff participation on local boards when appropriate

GOAL TWO

TO INCREASE THE PARTICIPATION OF FIRST NATIONS AND METIS PEOPLE IN EDUCATION, TRAINING, AND THE WORKFORCE

- Objective 2.1 To develop a sustainable program plan in collaboration with First Nations and Métis organizations, to ensure a skilled workforce, by:
- identifying opportunities and submitting proposals for Adult Basic Education and skills-training programming
 - seeking provincial and federal funding opportunities that target First Nations and Métis training
- Objective 2.2 To increase participation rates by 20% and target success rates of 75% for First Nations and Métis students, through:
- providing relevant programming
 - ensuring appropriate supports (i.e., intake and assessment, ongoing support, counselling) are in place
 - engaging First Nations and Métis organizations to build trained workforces

GOAL THREE

TO ENSURE ORGANIZATIONAL SUSTAINABILITY THROUGH LEADERSHIP, ACCOUNTABILITY, AND INNOVATION

- Objective 3.1 To revise administrative processes and consequent human resource allocations to achieve more effective operations, by:
- restructuring human resources to align with strategic direction, through:
 - eliminating Saskatchewan Communications Network clerical positions
 - reducing certain other full time equivalent positions which will result in a reduction in office hours
 - closing one campus

- establishing a Marketing Facilitator, to address marketing, recruitment, scholarships, and corporate communications
- establishing a facilities position
- ensuring clearer delineation of staff roles and responsibilities
- enhancing the work of the Continuing Education Department by implementing certain Learning Resources Network recommendations, namely:
 - pursuing contract training
 - allowing for open enrolment
 - pursuing business and industry, with a focus on mining
 - actively engaging First Nations and Métis communities
- creating a performance management framework, with emphasis on professional development, by December 2012.

Objective 3.2 To heighten public awareness of the College and its work, through innovation, by:

- implementing a communications and marketing strategy
- implementing a student recruitment strategy
- being actively involved in the Association of Saskatchewan Regional Colleges' three-year public awareness campaign

Objective 3.3 To maximize capacity and efficiency of capital resources, through:

- pursuing new laboratory space for the Watrous Practical Nursing Program
- construct grinding room and soundproof classrooms in the Humboldt welding facility
- upgrading computer fleet in Humboldt computer labs
- maximizing utilization of classroom spaces through continuous program offerings
- exploring video-conferencing capabilities
- beginning phase-out of current Central Vehicle Agency (CVA) vehicles by acquiring only four-wheel drive/all-wheel drive College vehicles

Objective 3.4 To ensure long-term financial sustainability by increasing non-traditional funding sources by 25%, by:

- providing open enrolment and contract training
- seeking provincial, federal, and other sources of funding

Objective 3.5 Work with trustees to ensure the College receives maximum benefit from their stewardship by:

- assisting in their participation in in-service that attends to College and Ministry regulations focused on accountability
- continually keeping Board governance, and the parameters within which it works, a focus of discussion at the Board level

Objective 3.6 To continue to enhance the leadership and direction provided to the College by the Senior Management team, by:

- assisting the Board with the recruitment of a Chief Executive Officer
- engaging in ongoing, appropriate professional development
- creating the conditions that will allow leadership to flourish at all levels of the College

Objective 3.7 To forge partnerships with corporate sponsors to enhance student scholarship offerings, thereby:

- increasing the dollar value of scholarships available to \$25,000
- increasing awareness of the College

Objective 3.8 To explore various options to increase capacity in programming and student engagement, by:

- developing distance delivery options for Adult Basic Education
- developing and implementing a process for virtual counselling to enhance services currently provided
- exploring opportunities for the provision of university-level programming at both undergraduate and graduate levels

BOARD OF TRUSTEES REPORT

As Chair of the Board of Trustees for Carlton Trail Regional College, it is my pleasure to present this report for the 2011-2012 fiscal year on behalf of my colleagues.

The current five-member Board was appointed in the fall of 2011 and shortly thereafter reaffirmed Dr. Bill Cooke as interim CEO for the College.

The Board, as part of its mandate from the Government of Saskatchewan, provides strategic leadership, sanctions the general orientation of the college, and approves financial, administrative and human resource policies. The Board also approves an annual budget and a set of programs and services. To fulfill this responsibility, the Board receives regular reports from Carlton Trail Regional College staff and management; these reports help ensure that Board objectives are being met and that resources and assets are protected and well-managed.

The Board was very pleased to preside over the official opening of the new Humboldt Education Centre in April of 2012 and to develop and adopt a new Strategic Plan later that spring. The Board also recruited a permanent CEO, Dr. Ivan Yackel, who began his duties in August.

This annual report provides an opportune venue to sincerely thank our interim CEO Dr. Bill Cooke for his efforts in stabilizing and refocusing Carlton Trail Regional College over the course of the 2011-2012 fiscal year.

The Board has continued its tradition of being actively involved in the communities served by Carlton Trail Regional College. It has used available opportunities to enhance its governance skills, to increase the visibility of the College and to willingly participate in regional, provincial and national activities designed to enhance and promote the work of regional colleges.

CHIEF EXECUTIVE OFFICER REPORT

It is my pleasure to submit this report on the significant work of Carlton Trail Regional College over the past fiscal year, a year that was focussed on renewal and new beginnings.

From a governance perspective, renewal began with the appointment of Dr. Bill Cooke as interim CEO on August 11, 2011. Early that fall, the Minister of Advanced Education appointed a five-member Board of Trustees including Glenn Hepp as Board Chair.

Beyond governance, and governance-related issues, the work of the College continued, much of it reported elsewhere throughout this annual report. Highlights include pursuing ways to better engage the aboriginal communities within the region, and to attend to the many ways that the College can meet their various educational requirements, and the corresponding attachment to the labour force; enhancing the College's community engagement, working closely with the region's manufacturing and business sectors to forge symbiotic relationships that can adapt quickly to the constantly shifting and expanding economic situation; developing better relationships with other educational institutions (i.e., universities, SIAST, school divisions) whose geographical mandates impact on all or part of the College's, and with whom partnerships can always be enhanced.

The official grand opening of the new Humboldt Education Centre, a joint project involving the College, the City of Humboldt, the Greater Saskatoon Catholic School Division and the Horizon School Division, took place on April 2, 2012. The new facility provides much-needed classroom and administrative space and has led to extremely positive sharing of space and programming with our three partners.

The Board devoted significant energies to the development and adoption of a new Strategic Plan and to the hiring of a permanent CEO in the spring of 2012. The strategic plan focuses on the three priority areas of providing leadership to enhance economic growth, increasing the participation of First Nation and Métis people and ensuring organizational sustainability. The 2012-2013 strategic plan is included in it's entirely as part of this annual report.

Following a comprehensive recruitment strategy managed by the Saskatchewan Education Leadership Unit, the Board selected Dr. Ivan Yackel as permanent CEO with an effective start date of August 20, 2012.

The future looks brighter than ever for the College in all of its locations. Given the unprecedented economic activity in the area, and the College's ability to move quickly to attend to the multiple educational needs of its student base, those needs, and the needs of employers, can be addressed in a much more effective, efficient manner than ever before.

Finally, and most importantly, I wish to acknowledge the work of the Ministries of Advanced Education and the Economy for their ongoing leadership and support of the College as well as the efforts of the women and men of the College who continue to demonstrate an unwavering commitment to meeting the needs of the students we have the privilege of serving.

Dr. Ivan Yackel
Chief Executive Officer

PROGRAMS AND SERVICES SUMMARY

2011/12 proved to be another year of growth for the College with 1974 students participating in some form of training. While student enrolments were down slightly from last year, there still was an overall increase in participant hours and full-load equivalencies of 3.9%. This seeming discrepancy is explained through an increase number of students taking programs of longer duration.

The College saw a slight increase in the number of part-time students enrolled in skills training institute programs. This increase is a result of a program mix that better matches student need with workforce demands. Programs such as Continuing Care Assistant, and Intermediate Care Paramedic were offered in a manner such that students could partake in study while remaining employed.

SKILLS TRAINING PROGRAMS

INSTITUTE CREDIT

Carlton Trail Regional College continued to provide various credit skills training programming opportunities throughout its region. A wide variety of full and part-time courses and programs, primarily brokered through SIAST but also Lakeland College, were offered. The majority of programs were financed utilizing provincial funding resources received from the Ministry of Advanced Education (AE). Some programs were undertaken on a cost-recovery basis, while others were offered through partnering agreements with third parties.

Institute credit training programs saw a slight decrease in enrolment numbers of 3.8% with a corresponding decrease in full-load equivalents (FLE's) of 3.3%. This decrease was a result of a slight reduction of the level of programming due to the depletion of unearned revenue, the cancellation of the spring offering of the Welding Applied Certificate in Southey because of instructor availability, and some trades programs running with less than full-capacity.

Of great significance, as the College strives to better engage its First Nation partners, was the 31.6% increase in Aboriginal students enrolled in Institute programming for 2011/12.

HIGHLIGHTS

- Partnered with the Saskatoon Health Region to ensure that Continuing Care Assistant students enrolled in the Wynyard and Humboldt offerings were able to participate in the “Earn-as-You Learn” program. Students were able to undertake their studies while employed for the health region.
- Partnered with Touchwood Agency Tribal Council to offer both the Early Childhood Orientation and Certificate programs.
- Offered the Welding Applied Certificate in partnership with Yellow Quill First Nations.
- Continued the collaboration with Horizon School Division and Punnichy High School to offer Construction Worker Preparation as part of the Careers Transition Initiative.
- Offered Heavy Equipment Operator on reserve in partnership with One Arrow First Nation. This provided an opportunity to not only provide skills training to band members, but to improve area infrastructure through repairing area roads and developing spaces for new housing.

INDUSTRY CREDIT

Carlton Trail Regional College continued to focus on, and undertake, the provision of Industry Credit programming to meet the needs of business, industry, First Nations, communities, and individual stakeholders residing in our region. The majority of the industry credit programming was offered on a cost recovery basis or through third party partnerships. Over the past year, there was a 10% decrease in the number of individuals participating in Industry Credit programming.

HIGHLIGHTS

- The College continues to partner with 26 volunteer fire departments within its region. In 2011/12 there was approximately 276 participants enrolled in various *Essentials of Firefighting* modules. In addition, the college purchased two C-can storage containers for confined space and control burn training.
- Industry safety certificates continue to be highly sought in the region, with First Aid and CPR having the highest enrolments. The College also offers training for WHMIS, Confined Spaces and Rescue, Fall Protection, Transportation of Dangerous Goods, Food Safe, Fire Extinguisher, H2S Alive, and PART.
- The College partnered with Touchwood Agency Tribal Council, and Kawacatoose and George Gordon's First Nations to provide Industrial Safety Training.
- Increased enrolments of Aboriginal students by 14.8% over last year.

BUSINESS, INDUSTRY & COMMUNITY

Business, Industry and Community Education (BIC) programs consist of non-credit programs of varying duration in the areas of agriculture, computer applications, health and wellness, and general interest. These programs are scheduled in various communities throughout the region, based on identified needs and stakeholder requests. The level of programming in this area has also remained relatively static, with a slight decrease in student enrollment numbers of 7.6%. However, given the nature of the classes provided, there was an overall increase of 20% in FLE counts. Of note was that the college saw a 64.9% increase in enrolment of Aboriginal students for these types of program offerings.

ADULT BASIC EDUCATION

Adult Basic Education (ABE) is an umbrella term that refers to a wide range of services and credit and non-credit programs designed to help learners garner the foundational skills needed to gain employment or the credentials required to enter post-secondary education. With high drop-out rates from high school, a large Aboriginal population in the region, and the mounting influx of immigrants, the provision of a variety of ABE programs is essential. In order to meet regional demands, the College provides a spectrum of ABE training opportunities including Level 4 (Adult 12), Level 3 (Adult 10), Level 1 and 2 (literacy and essential skill development), and English as a Subsequent Language (ESL).

ABE CREDIT

As a result of additional dollars received from the Ministry for on-reserve programming in the 2011/12 academic year, the college saw a 10% increase in student enrolments which corresponded to a 1.6% increase in FLE's.

HIGHLIGHTS

- The College continued to provide ABE Level 3 and 4 programming in Punnichy and Wakaw, and Level 4 programming in Humboldt.
- A new Level 3 program began on-reserve at Muskowekwan First Nation. This was part of a multi-year plan starting in 2010/11, which will see students laddering from Level 2 to Level 4.
- Level 4 programming was offered in Wadena. Yellow Quill First Nation provided transportation for learners.
- Academic GED took place in Humboldt.
- Kawacatoose First Nations, in partnership with the College, funded a Level 3 program in Punnichy. The program started in late May and ran over the summer.

4 Year Comparison of Enrolment Numbers

Graduate from ABE Level 4 in Punnichy

ABE NON-CREDIT

As a result of the receipt of the on-reserve dollars noted above, and the awarding of *Adult Basic Education – Essential Skills for the Workplace* (ABE-ESWP) proposal dollars, the College saw a 17.5% increase in student enrolments, which equates to a 38.5% increase in FLEs.

4 Year Comparison of Enrolment Numbers

HIGHLIGHTS

- The College received ABE-ESWP proposal based funding for projects at Kinistin Salteaux Nation and Yellow Quill First Nation through the Ministry of Advanced Education. This funding provides learners the opportunity to acquire the essential skills required to participate in the workforce.
- CTRC partnered with One Arrow First Nation to provide Level 1 and 2 programming on reserve. The goal was to provide learners with the skills necessary to participate in the workforce, or to ladder into the Level 3 program in Wakaw. In addition, this program utilized an Equine Assisted Learning program that facilitates lifeskills, and personal and leadership development.
- The College continued partnering with Carleton University to offer the *Canadian Academic English Language Test (CAEL)*. Currently the College is the only post-secondary institution in Saskatchewan to offer CAEL. A total of 4 sittings were offered, resulting in 40 individuals taking the test.

- Stage 1 English and LINC (Language Instruction for Newcomers to Canada) were offered in Wynyard, Lanigan, Watrous, Englefeld, and Humboldt. For these classes there was a 68% increase of learners' enrolled over the previous year.
- In addition to offering face-to-face and distance learning opportunities the College provided volunteer tutoring to 20 students who could not access other study options.

STUDENT SERVICES

The goal of Student Services is to holistically address students' needs in order to create personal and academic growth, reduce personal and systemic barriers, and increase student retention and

overall success. Students with learning or personal difficulties are supported by a variety of resources designed to help the student succeed. In 2011/12, the student services team conducted over 300 assessments and career counseling sessions.

Depending on the needs of the clientele, counseling services are provided on a confidential one-on-one or group basis. Counselors provide support to students through offering skill development sessions or workshops around educational and career counseling, time management, exam writing and exam anxiety, note-taking, résumé development, job search, and interview skills.

Financial aid information pertaining to sponsored programs, student loans, awards and bursaries is available at all College offices, as are invigilation services for distance education and correspondence exams.

Provincial Training Allowance (PTA), which provides income support to low-income adults involved in training programs including Adult Basic Education, Skills Training and Bridging Programs, was administered within the region by College personnel on behalf of the Ministry of Advanced Education. At Carlton Trail Regional College, PTA is primarily committed to credit and non-credit ABE students in programs that are a minimum four weeks in length.

INTERNATIONAL INVOLVEMENT

The College's involvement in the *Education for Employment* project in Tanzania was completed in June of 2012. The College, in partnership with the University of Guelph-Kemptville campus and Lakeland College, worked to advance skill development with teachers and trainers at the Kihonda Regional Vocational Training Centre in designing and delivering competency based training (CBET) curriculum in the context of agriculture production and entrepreneurship.

UNIVERSITY PROGRAMS

Currently the College does not offer any face-to-face university programs. However, students do have the option to enroll in both University of Regina and Saskatchewan classes offered over the eCast system (formally SCN).

COMMUNITY ACCESS PROGRAM YOUTH INITIATIVE

Saskatchewan's Community Access Program Youth Initiative (CAP YI) is a youth employment project to provide opportunities for youth to gain an opportunity for skill development funded through Industry Canada in association with the *Community Access Program*. The goal of the initiative is to employ youth interns across Saskatchewan, at Community Access Program (CAP) public internet access sites in order to help individuals, community organizations and small businesses improve their knowledge and effective use of the Internet and related information technologies.

Carlton Trail Regional College has been headquarters to the Provincial Office of CAP YI since its inception in 1994. Both the Provincial Program and Technical Coordinators, based out of Humboldt, play a significant role in providing training and support for provincial interns.

The 2011/12 CAP YI year was a great success with the hiring of three regional coordinators and 71 interns placed at host organizations across the province. Many of the CAP sites open their technology centre and computer labs to the community, often offering courses in computer and other technology skills that are increasingly needed by all members of the community. Activities undertaken by CAP youth involved delivering internet training sessions, researching and developing websites, drafting publicity materials, organizing information fairs and special events, and providing technical support to the CAP sites.

CARLTON TRAIL REGIONAL COLLEGE
Statement of Management Responsibility

The College is responsible for the preparation of the financial statements and has prepared them in accordance with Canadian generally accepted accounting principles and in accordance with the guidelines developed by Saskatchewan Advanced Education. The College believes the financial statements present fairly the College's financial position as at June 30, 2012 and the results of its operations for the year then ended.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, the College has developed and maintains a system of internal control designed to provide reasonable assurance that College assets are safeguarded from loss and that the accounting records are a reliable basis for the preparation of financial statements.

The Board of Directors is responsible for the review of the financial statements. The Board meets with management and, as required, with the external auditors to discuss the results of audit examinations and financial reporting matters. The external auditors have full access to the Board with and without the presence of management.

The financial statements for the year ended June 30, 2012 have been reported on by E. J. C. Dudley & Co. The Auditor's Report outlines the scope of his examination and provides his opinion on the fairness of presentation of the information in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Board
Carlton Trail Regional College

We have audited the accompanying financial statements of Carlton Trail Regional College, which comprise the statement of financial position as at June 30, 2012, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Carlton Trail Regional College as at June 30, 2012, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

CARLTON TRAIL REGIONAL COLLEGE
Notes to the Financial Statements
for the year ended June 30, 2012

1. PURPOSE AND AUTHORITY

The Carlton Trail Regional College (College) offers educational services and programs under the authority of Section 14 of *The Regional Colleges Act*.

The Board of the Carlton Trail Regional College is responsible for administering and managing the educational affairs of the College in accordance with the intent of *The Regional Colleges Act* and its regulations.

2. SIGNIFICANT ACCOUNTING POLICIES

Pursuant to standards established by the Public Sector Accounting Board, the College is classified as a government not-for-profit organization. These financial statements have been prepared in accordance with Canadian generally accepted accounting principles applicable to not-for-profit entities and include the following significant policies:

(a) **Fund Accounting**

The accounts of the College are maintained in accordance with the principles of fund accounting. For financial reporting purposes, accounts with similar characteristics have been combined into the following major funds:

(i) **Operating Fund**

The operating fund consists of those revenues and expenses relating to the general operations of the College.

(ii) **Capital Fund**

The capital fund reflects the unamortized capital assets of the College and the equity of the College in capital assets, after taking into consideration any associated long term debt. The capital fund consists of transfers and donations designated for capital purposes by the contributor, net of the annual amortization expense. Also included in the capital fund are the appropriations for future capital expenditures.

(b) **Revenue Recognition**

The College follows the restricted fund method of accounting for grants. Restricted transfers related to general operations are recognized as revenue of the operating fund in the year in which the related expenses are incurred. Transfers restricted for capital assets are recognized as revenue of the capital fund when received or receivable.

Unrestricted operating transfers are recognized as revenue of the operating fund when received or receivable. Tuition and fee revenue is recognized as the course instruction is delivered. Revenue from contractual services is recognized as the service is delivered.

CARLTON TRAIL REGIONAL COLLEGE
Notes to the Financial Statements
for the year ended June 30, 2012

(c) **Capital Assets**

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Amortization is charged on a straight-line basis over the estimated useful lives of the assets for the following terms, and is reported as an expense in the capital fund:

Buildings	20 years
Furniture and Equipment	3 to 5 years
Leasehold Improvements	Term of Lease or estimated useful life

(d) **Inventories**

Inventories are recorded at the lower of cost and net realizable value.

(e) **Use of Estimates**

These statements are prepared in accordance with Canadian generally accepted accounting principles. These principles require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates. Differences are reflected in current operations when identified.

(f) **Financial Instruments**

The College's financial instruments and their classification are as follows:

Financial Instrument	Classification
Cash and temporary investments	Held for trading
Accounts receivable	Loans and receivables
Accrued salaries and benefits	Other liabilities
Accounts payable and accrued liabilities	Other liabilities

Held for trading financial assets and liabilities are measured at fair value. Changes in the fair value are recognized in the Statement of Operations and Changes in Net Assets. Loans and receivables and other financial liabilities are measured at amortized cost. Due to their short term nature, the amortized cost of these instruments approximates their fair value.

CARLTON TRAIL REGIONAL COLLEGE
Notes to the Financial Statements
for the year ended June 30, 2012

(g) **Accounting Policy Developments**

In September 2010, the Public Sector Accounting Board approved an amendment to the introduction to the Public Sector Accounting Handbook. Effective for fiscal years beginning on or after January 1, 2012, government not-for-profit organizations are directed to use either the public sector accounting standards or public sector accounting standards for government not-for-profit organizations. The College is currently assessing the appropriateness and potential impact of the change in accounting standards on its financial statements.

3. ACCOUNTS RECEIVABLE

Accounts receivable are composed of the following:

	<u>2012</u>	<u>2011</u>
Federal Government	\$ 30,042	\$ 19,183
Saskatchewan Advanced Education	8,164	241,712
Provincial Government – other	25,949	65,993
Other	292,809	138,010
Allowance for doubtful accounts	<u>(50,000)</u>	<u>(20,000)</u>
	<u>\$306,964</u>	<u>\$444,898</u>

The College is exposed to credit risk from the potential non-payment of accounts receivable. The majority of the College's receivables are from the Provincial and Federal governments or have subsequently been collected therefore credit risk is minimal.

4. CAPITAL ASSETS

8. RESTRICTIONS ON NET ASSETS

The Board of Directors of Carlton Trail Regional College have placed internal restrictions on \$136,282 (2011 - \$309,894) of unrestricted net assets to be used for future expenditures. These internally restricted amounts are not available for other purposes without approval of the Board of Directors.

\$171,808 (2011 - \$82,650) was transferred from unrestricted operating funds to capital assets for the purchase of information technology equipment, vehicles, renovations and office equipment.

External restrictions consists of \$16,000 (2011 - \$171,801) for Humboldt Education Centre and sustaining capital funding.

9. BUDGET AMOUNTS

The budget submitted with the Business Plan was prepared by Regional College management with Board approval given on June 20, 2011. Ministerial approval was received July 21, 2011.

10. RELATED PARTY TRANSACTIONS

These financial statements include transactions with related parties. The College is related to all Saskatchewan Crown Agencies such as ministries, corporations, boards and commissions under the common control of the Government of Saskatchewan. Also, the College is related to non-Crown enterprises that the Government jointly controls or significantly influences.

Routine operating transactions with related parties are recorded at the rates charged by those organizations and are settled on normal trade terms.

11. EMPLOYEE FUTURE BENEFITS

Employees of the College participate in one of four pension plans. Teachers and other employees holding a teaching certificate participate in the Teacher's Superannuation Plan (TSP) or the Saskatchewan Teacher's Retirement Plan (STRP) which are administered by the Teacher's Superannuation Commission and the Saskatchewan Teachers' Federation respectively. The Board has no financial obligation to TSP or STRP. Eligible employees contribute to TSP and STRP for their current service. No matching contribution is made by the College. The General Revenue Fund is responsible for the required employer contributions of STRP and for the financial obligations of the TSP. Board approved employees contribute to a self-directed College matched RRSP. All other employees participate through Municipal Employee's Pension Plan (MEPP) which is a multi-employer defined benefit plan.

The College's financial obligation to the MEPP is limited to making required payments to match amounts contributed by employees for current services. Pension expense for the year amounted to \$187,986 (2011-\$174,226).

12. CONTINGENT LIABILITIES

In the normal course of operations, the College becomes involved in various claims and litigation. While the final outcome with respect to claims and litigation pending cannot be predicted with certainty, it is the opinion of management that their resolution will not have a material adverse effect on the College's financial position or results of operations.

13. COMPARITIVE FIGURES

Certain prior year's comparative figures have been reclassified or adjusted to conform to the current year's basis of presentation.
