#### **2021 Student Recipients Recognized**

*43 scholarships and bursaries distributed across seven, skills-based programs*

**January 12, 2022** – Through the generosity of donors and the support of the Government of Saskatchewan’s Innovation and Opportunity Scholarship (SIOS) program, Carlton Trail College was pleased to distribute 43 scholarships and bursaries totaling \$40,250 to student recipients in 2021.

“As the pandemic continued to create financial challenges for students, we’re proud to be able to provide much-needed financial support to our learners, along with acknowledging academic excellence, community involvement and strength of character,” said Amy Yeager, Carlton Trail College President and CEO.

Due to continued pandemic impacts, the College was unable to host an in-person event to acknowledge student award recipients. Instead, recipients and donors are being acknowledged through regional print, radio and digital channels. Congratulatory remarks were also received from the Honourable Gene Makowsky, Minister of Advanced Education.

“Our student award program, supported by our generous donors, empowers our College to reward students for their efforts, inside and outside of the classroom,” said Jennifer Brooks, Carlton Trail College Development and Communications Director. “It not only supports individual achievement, it’s also an investment into our future workforce.”

Appreciation is extended to the following donors: Bourgault Industries Ltd.; Carlton Trail College Staff; City of Humboldt; Coleen Bowman, CPA Professional Corp.; Doepker Industries; Flaman Sales Ltd.; Humboldt Co-op; Humboldt Smiles Dental Studio; Melron Service Ltd.; Michel’s Industries Ltd.; Midway Co-op; Olymel (Humboldt); Financial Services Staff; Shelley Romanyszyn-Cross; Saskatoon Co-op; Schulte Industries; Tremblay Electric; Walker Wood Foundation.
