College Announces Appointment of New Board Chair, Adrienne Jackson

August 27, 2020 – The Board of Directors and President and CEO of Carlton Trail College announce the appointment of new Board Chair, Adrienne Jackson, effective as of July 22, 2020. Jackson has served as a Director, and as Vice Chairperson, for two years.

“I’m pleased to welcome Adrienne Jackson as our new Board Chair,” said Shelley Romanyszyn-Cross, President and CEO. “While this has been a challenging year for all of us, I’m confident that Adrienne’s leadership, along with our Board’s breadth of expertise, experience and skill, will ensure that the College is in a strong position to continue providing responsive, high-quality education and training for our region.”

Board chairpersons, along with their board members, serve as stewards of the College with statutory authority and obligation to guide the affairs of the institution. They set the strategic direction of the College in response to the needs of their region and, as trustees, meet with the Minister of Advanced Education to share and discuss issues such as strategic and business planning, policies and government direction. The Minister of Advanced Education formally appoints all Board members.

“It’s a privilege to be the new Chair of the Board and to be working with colleagues, the CEO and the administration in carrying out the responsibilities for Carlton Trail College,” says Jackson. “I look forward to fostering a culture of collaboration and respectful change as we sharpen our governance focus in the face of COVID-19.”
